Gina and Laura,

Here are some to add to your lists. We are going to keep Congressionals separate and I'll continue to handle those. I will keep the elected officials on mine, which means they'll get duplicates, but I think that's fine.

Laura and I have same list, minus a couple straggler updates. We intended to use it to blast updates (SitReps, data bulletins) to everyone. I concur we should try to get to one so that we don't have confusion. If congressional a need to see things on a different timeline or separate stream of data, let's talk here and just be sure we're clear. Thanks!

So we're doing separate lists. My list is going to be just congressionals and elected officials. Everyone else will go on Laura's? Hopefully we can use Laura's for other updates as they go out (e.g., the sampling data that went out last night)?

Gina – do you have a separate list even?
